

Hey, Manitoba! **HAVE HEARING LOSS?**

There may be financial assistance available to you.

PRIVATE HEALTH PLANS

Many adults have extended health benefits through their employer or through other insurance plans (such as Greenshield and Blue Cross). These plans will cover varying amounts toward the cost of hearing devices, usually at repeating intervals (for example, every 3 or 5 years are common intervals).

VETERANS AFFAIRS CANADA (VAC)

Any veteran could qualify for coverage through VAC if hearing loss is determined to be due, in part, to military noise exposure. VAC will cover a new set of hearing devices every 4 calendar years, as well as repairs and batteries.

INDIGENOUS SUPPORT

Coverage for hearing aids may be available through FNIHB (First Nations and Inuit Health Branch). Our team can help with eligibility questions and paperwork.

MANITOBA HEALTH SERVICES: CHILDREN'S HEARING AID PROGRAM (MHSC)

Run through Manitoba Health Services, this program provides assistance to Manitoba residents under the age of 18 who require hearing aids, as prescribed by an Otolaryngologist or Audiologist, and do not have the costs paid through another provincial or federal program.

EMPLOYMENT AND INCOME ASSISTANCE (MB EIA)

Employment and Income Assistance (EIA) provides assistance to Manitoba residents who have no other way to support themselves or their families. The program covers hearing aids, hearing assessments and supplies.

MANITOBA SENIORS HEARING AID PROGRAM (MBSHAP)

The Manitoba Seniors Hearing Aid Program provides eligible Manitobans with financial support up to \$2,000 towards the purchase of new hearing aids.

WORKERS' COMPENSATION BOARD (WCB)

You may have a history of occupational noise exposure. WCB provides hearing aids, batteries, and repairs for those who suffered hearing loss from occupational noise exposure. Claims can be processed even in retirement. It is never too late to apply. Those covered under WCB receive new hearing aids every 5 years. We can also assist you in completing your WCB claim form.

FINANCING OPTIONS

For those who are unable to pay for hearing devices in full up-front, we offer in-house financing options with affordable payment plans and no credit checks.
